Office address

Observatoire sociologique du changement
98 rue de l'Université
75007 Paris
France

Nationality French

Employment and affiliations

2014 - date CNRS professor of sociology (*Directeur de recherche CNRS*) at the *Observatoire sociologique du changement*, a joint Sciences Po and CNRS research centre

2011 - 2017 Director of *Données, Infrastructures, Méthodes d'Enquêtes en Sciences Humaines et Sociales* (Data, Infrastructures, Survey Methods for Human and Social Sciences), a national infrastructure for data collection and dissemination for the social sciences based at Sciences Po and funded by the French government (*Équipement d'excellence 2010*) for nine years (2011-2020)

2008 - 2017 Director of the *Centre de données socio-politiques* (Centre for socio-political data), a joint centre of CNRS and Sciences Po (Deputy director until the 1st of July 2010)

Oct. 2005 - 2014 CNRS associate professor of sociology (*Chargé de recherche CNRS*) at the *Observatoire sociologique du changement*, a joint Sciences Po and CNRS research centre

Oct. 2005 - date Researcher at the Laboratoire de Sociologie Quantitative, CREST (INSEE)

Jan. 2006 - date Research associate, Centre for Time Use Research, University of Oxford

Feb. - Oct. 2005 Senior research officer, Institute for Social and Economic Research, University of Essex, UK

Sept. 2004 - Sept. 2005 Temporary lecturer (ATER), Université Paris X - Nanterre
Lectures in quantitative sociology (last year of the BA in Sociology)

Education

2014 *Habilitation à diriger des recherches*
École des Hautes Études en Sciences Sociales (EHESS)

2000 - 2004 PhD in sociology
Université de Versailles Saint-Quentin-en-Yvelines

1999 - 2001 Student of the École Normale Supérieure Cachan, dept. of social sciences

1997 - 2000 MSc in statistics and economics (*diplôme de statisticien-économiste*), École Nationale de la Statistique et de l'Administration Économique

1998 - 1999 BA (*licence*) in sociology, Université Paris V - Sorbonne
 1993 - 1997 MSc (*maîtrise*) and BA in econometrics, Université de Cergy-Pontoise

Honour, scientific responsibilities and memberships

Honour Bronze medal of the French National Centre for Scientific Research, 2011

Project *Équipement d'Excellence (EquipEx)* 2010. Principal investigator of the *Données, Infrastructures, Méthodes d'Enquêtes en Sciences Humaines et Sociales* (DIME-SHS, Data, Infrastructures, Survey Methods for the Human and Social Sciences) project (10.4 million euros grant). Leading institution: Sciences Po. Partner institutions: INED, GENES, University of Paris Descartes, Telecom ParisTech, EDF R&D, and GIS Réseau Quetelet.

European projects Management Committee Member of *Webdatanet* (Web-based data-collection, methodological challenges solutions and implementation), COST Action IS1004 (2011-2015)
 Representative for France at European Social Survey Infrastructure Preparatory Phase (ESFRI, FP7, 2008-2010)

Committee Member of the *Comité du label* (Quality Label Committee, in charge of assessing the statistical quality of questionnaire surveys) of the *Comité National de l'Information Statistique* ([French National Council for Statistical Information](#)) (2010-2015)

Conferences Organiser (with Nick Allum and Ulrich Kohler) of the ESRA conference on Inference from Non Probability Samples, 16-17 March 2017, Paris
 Organiser of the 32nd International Conference on Time Use Research, 6-10 July 2010, Paris

Memberships American Sociological Association, Population Association of America, International Association for Time Use Research, RC 28 of the International Sociological Association, French Sociological Association (*Association Française de Sociologie* AFS)

Editorial responsibilities

Consulting Editor American Journal of Sociology
 Sept. 2011 – Aug. 2013

Editorial Board *Économie & statistique – Economics and Statistics*
 2013 – date

Referee American Journal of Sociology, American Sociological Review, Social Forces, Sociological Methodology, British Journal of Sociology, Journal of Marriage and Family, *Annales d'Économie et de statistiques*, Sociological Methods and Research, Population, Environment and Planning A, Social Indicators Research, Review of Economics of the Household, *Mathématiques*

PhD and Master examiner

- 2015-11-23 **Sciences Po, Paris**
Thomas Collas PhD examiner (PhD in Sociology directed by Pierre François)
- 2015-06-24 **École des hautes études en sciences sociales**
Younga Kim PhD examiner and reporter (PhD in Sociology directed by Serge Paugam)
- 2014-06-27 **Université Paris Nord**
Léonard Moulin PhD examiner (PhD in Economics directed by David Flacher and Hugo Harari-Kermantec)
- 2013-11-05 **Sciences Po, Paris**
Charlotte Dollez PhD examiner (PhD in Political Science directed by Sophie Duchesne)
- 2012-08-17 **University of Oxford, United Kingdom**
Evrin Altintas, Dphil external examiner (Dphil in Sociology directed by Jonathan Gershuny)
- 2011-10-27 **University of Amsterdam, Netherlands**
Kadri Taht, PhD review committee member (PhD in Sociology directed by Harry Ganzeboom and Melinda Mills)
- 2009-2010 **University of Groningen, Netherlands**
Gina Potarca, Master thesis committee member (Master in Sociology directed by Melinda Mills)

Teaching

- 14-15 Dec. 2016 **Paris Dauphine University**
Two-day training course in optimal matching using R and TraMineR.
- 2014 - 2015 **École Nationale de la Statistique et de l'Administration Économique**
Supervision of a research dissertation in statistics (graduate level).
- 24 Sept. 2014 **Sciences Po Bordeaux**
One-day training course in optimal matching using R and TraMineR.
- 2009 - 2011 **Sciences Po**
Quantitative methods 1 (with Anne Cornilleau), Doctoral program in sociology and political science, 1st year of the Research Master in sociology. This course is an introduction to statistics and the 1st of the three levels offered by Sciences Po.
- 2009 - 2014 *Quantitative methods 3* (with Mirna Safi until 2012), Doctoral program in sociology, 2nd year of the Research Master in sociology.
- 5 July 2011 **Quanti Lille**
Optimal Matching and the Social Sciences
- 2009 - 2010 **Sciences Po**
Quantitative sociology (in English, with Louis Chauvel), [Master Economics and public policy](#) (Sciences Po, X, ENSAE). This course consisted of lectures combined with computer lab work. Lectures presented major quantitative research in sociology and the applied part aimed to replicate the

- empirical results. International audience (50% non-French) with varied statistical skills.
- 2 - 3 Oct. 2008 **Céreq**, Marseille.
Two-day training course in optimal matching. Introduction to optimal matching analysis and application using TDA and SAS, and R.
- 2007 - 2008 **Sciences Po**
Méthodes des sciences sociales (Introduction to social statistics). Lectures in sociology of the family and quantitative methods (1st year of undergraduate studies). The goal of this course was to introduce Sciences Po students (1st year undergraduates) to statistics through sociological.
- 2004 - 2005 **Université Paris 10 - Nanterre**
Sociologie quantitative (social statistics), *licence de sociologie* (BA in sociology), 1 semester
Sociologie quantitative (social statistics), *bi-licence de sociologie et d'économie* (dual BA in sociology and economics), 2 semesters
Introductory courses in statistics for undergraduate students (3rd year)
- 2000 - 2006 **École Nationale de la Statistique et de l'Administration Économique**
Lectures in statistics and data analysis, supervision of research dissertations in quantitative sociology. The ENSAE is a *Grande École* specialised in statistics and social science (economics mostly). The course was an introduction to geometrical data analysis (factorial analysis) and clustering. I supervised some of the students of ENSAE, who have to do two major dissertations in the 2nd and the 3rd and last year of their studies.
- 2001 - 2003 **Université Paris 4 - Sorbonne**
Utilisation des méthodes statistiques en sociologie (statistical methods in sociology). Lecture in social statistics (MSc in Applied social sciences). Intermediate statistical course on log-linear, logistic, probit models, and GLM.

Martin (dir.) *La parentalité, Rapport pour le Haut Conseil à la Population et à la Famille, juillet* (Report for the French Family and Population Council), 2003.

Presentations and invitations

2016-2017	Tampere University, School of social sciences Invited Professor
29 Nov.-1 st Dec. 2016	Time Use survey Methodological Workshop, Tampere University Open Guest Lecture: "Working Time and what Time Use Data can Reveal"
3 March 2016	Seminar Work/Life and Time, VUB and ULB, Louvain-la-Neuve Final talk: "Time Use and Social Inequalities"
2-3 Oct. 2014	Workshop "Négocier l'articulation des temps sociaux", GT ARTS de l'AFS, EHESS et CNAM, Paris Introductory talk: "Synchronisation/désynchronisation/négociation des temps sociaux"
16-19 Aug. 2014	Annual Meeting of the American Sociological Association, San Francisco, US Communication (with Jean-Yves Boulin): "The social costs of Sunday work"
6-7 June 2013	Web surveys for the general population: Closing conference, NatCen, University of Essex, Colchester, Grande Bretagne Invited at a roundtable about the future of the Internet for general population surveys
7-8 March 2013	5th Webdatanet meeting, Mannheim, Allemagne Management Committee members meeting et working groups
25-26 Feb. 2013	Web surveys for the general population: Opening conference, NatCen, Londres Invited

- 6-8 June 2013 Lausanne conference on sequence analysis, Lausanne, Switzerland
Invited communication: “Do Transitions to Adulthood Converge in Europe? An Optimal Matching Analysis of Work-Family Trajectories of Young Adults from 20 European Countries”
- 8 March 2012 3rd Webdatanet meeting, Mannheim, Germany
Management Committee members and working groups meetings.
- 23-26 Feb. 2012 Eastern Sociological Society Annual Meeting, New York, US
Invited communication in the Panel session “Uncovering Patterns: Reflections on Narrative Positivism Twenty Years Ago and Today” organised by Silke Aisenbrey and discussed by Andrew Abbott: “Off-scheduling within dual-earner couples: An application of SA in the spirit of narrative positivism”
- 17 Feb. 2012 Seminar of the *Institut d'études démographiques et du parcours de vie* (Idemo), University of Geneva, Switzerland
Invited communication: “La convergence de l'entrée dans l'âge adulte en Europe. Une analyse séquentielle des trajectoires travail-famille de femmes et d'hommes dans 20 pays européens”
- 30 Nov.-2 Dec. 2011 2nd Webdatanet meeting, Amsterdam, Netherlands
Communication: “Données, Infrastructures, Méthodes d'Enquêtes en Sciences humaines et sociales (DIME-SHS)”.
- 29 Nov. 2011 Cathie Marsh Centre for Census and Survey Research seminar, Manchester, UK.
Invited communication: “Optimal matching and the social sciences”
- 7-10 Sept. 2011 European Sociological Association 10th conference, Geneva, Switzerland
Communication: “Do Transitions to Adulthood Converge in Europe? An Optimal Matching Analysis of Work-Family Trajectories of Young Adults from 20 European Countries” (with A.-S. Cousteaux, F. Chanvriil et V. Le Hay)
- 2-3 Sept. 2011 RCN Workshop, Lausanne, Switzerland
Communication: “Differences in time use between married and cohabiting couples” (with Suzanne Bianchi, Tiziana Nazio et Sara Raley)
- 12-13 Aug. 2011 Measurement and Experimentation in the Social Sciences (MESS) Workshop, Oisterwijk, Netherlands
Communication: “ELIPSS: A New Mobile Web Panel for Social Scientists”
- 1-3 Aug. 2011 Conference of the International Association for Time Use Research (IATUR), Oxford, UK
Communications: “Work schedules in France, UK, Finland and Spain, 1998-2003” (with Man Yee Kan) and “Trends in sunday’s work: Regulation in Europe” (with Jean-Yves Boulin)”
- 13-14 May 2011 Interuniversity Center for Social Science Theory and Methodology (ICS) 25th anniversary, University of Groningen
Invited communication: “Off-scheduling within dual-earner couples: an unequal and negative externality for family time”

- 31 March-2 April 2011 Population Association of America annual meeting, Washington
Poster (with A.-S. Cousteaux, F. Chanvril et V. Le Hay) : “Do Transitions to Adulthood Converge in Europe? An Optimal Matching Analysis of Work-Family Trajectories of Young Adults from 20 European Countries”
- 11 March 2011 GRESCO seminar, University of Poitiers
Communication: “La famille désarticulée. Les nouvelles contraintes de l’emploi du temps”
- 7 March 2011 Sociology department, University of Oxford
Communication (with Man Yee Kan): “Working schedules in UK, France, Finland and Spain 1998-2003”
- 2-3 Dec. 2010 Workshop Life Event History Calendar Advances and Issues in Questionnaire Design and Implementation, Université de Lausanne
Communication: “Time Use Surveys”
- 1st Oct. 2010 Doctoral seminar of the Centre de sociologie des organisations (CSO, CNRS & Sciences Po), Paris
Communication: “La famille désarticulée. Les nouvelles contraintes de l’emploi du temps”
- 10-11 Sept. 2010 Relations Cross Nations network workshop, Madrid
Communication : “Time Use Surveys”
- 6-10 July 2010 International Association for Time Use Research (IATUR), Paris, France
Communication: “Working time schedules in Finland 1999-2000” (with Man Yee Kan)
- 12 Feb. 2010 Seminar of the Observatoire Sociologique du Changement (Sciences Po & CNRS). Presentation of *La famille désarticulée*
- 1-2 Dec. 2009 European consortium for sociological research (ECSR), “Changing societies in the context of European Union enlargement”, Paris
Communication: “Work time and social position in France and the UK” (with Man Yee Kan)
- 19 Nov. 2009 Seminar of sociology of the Centre for Research on Economics and Statistics (CREST-INSEE), Paris
Communication: “La famille désarticulée. Les nouvelles contraintes de l’emploi du temps”.
- 15-16 Oct. 2009 QMSS 2 Seminar “Advances in Fertility and Family Research”, Groningen, Netherlands.
Communication: “Transition to Adulthood: An Optimal Matching Analysis of Work-Family Trajectories of Young Adults from 20 European countries”, with Flora Chanvril, Anne-Sophie Cousteaux, Viviane Le Hay
- 23-25 Sept. 2009 International Association for Time Use Research (IATUR), Lüneburg, Germany
Communication: “Comparing Working Time Patterns of France 1998-99 and UK 2000-01: Results from Two-stage Optimal Matching Analyses” (with Man Yee Kan)

- 7-9 Sept. 2009 10th congress of the French Political Science Association (AFSP), Grenoble ST 13, with Thibaut de Saint Pol: “Décrire les données séquentielles en sciences sociales avec les méthodes d’appariement optimal”
- 27-28 Aug. 2009 Relations Cross Nations network workshop “Economic and Social Arrangements in couple relationships: Change and continuity from an international perspective”, Utrecht, Netherlands
Organized by Anne-Rigt Poortman and Tanja van der Lippe.
Invited. Communication: “Dual-earner families' time together and the family workday”
- 14-17 April 2009 3rd congress of the French Sociological Association (AFS), Paris RT 33, with Thibaut de Saint Pol: “Statut social et semaine de travail en France”
RT 20, with Man Yee Kan: “Typologies empiriques de données séquentielles en sciences sociales : quelles méthodes pour quelles données ?”
- 23-25 March 2009 Xth Journées de Méthodologie Statistique, INSEE, Paris
Communication with Thibaut de Saint Pol: “Décrire des données séquentielles en sciences sociales : panorama des méthodes existantes”
Associated paper, with Thibaut de Saint Pol: “Décrire des données séquentielles en sciences sociales : mise en pratique des Méthodes d'Appariement Optimal”
- 23-25 Oct. 2008 QMSS 2 Seminar “Labour Market Changes And Social Exclusion In The Life Course”, Oslo, Norway.
Communication and discussion of a paper
- 1-5 Sept. 2008 7th international conference of the RC 33 of the International Sociological Association, Naples, Italy.
Organization, with Man Yee Kan, of a session “Sequence Analysis in the Social Sciences: Theoretical Underpinnings and Applications”.
Communication, with Man Yee Kan: “Analysing Social Rhythms by Optimal Matching: Working week schedules of UK 2000”
- 12-15 May 2008 CNRS summer school "Les 'carrières' - usages descriptifs, théoriques et sociaux d'une notion", Aussois, France. Invited speaker. Lecture on the use of sequence analysis in the social sciences and tutorial class on how to apply sequence analysis using TDA and SAS
- 1-3 March 2008 Workshop of the Centre for time use research, University of Oxford, UK
Invited. Communication: “The timing of everyday life”
- 29-30 Nov. 2007 Vrije Universiteit Brussel, Department of sociologie, Brussels
Invited talk at the departmental seminar: “Using optimal matching to analyze the timing of daily life” and “Off-scheduling within dual-earner couples: an unequal and negative externality for family time”
- 21 Nov. 2007 Workshop on the transformation of work and family, organized by the Goethe-Institut of Torino, the French Cultural Centre of Torino, and the University of Torino, Italy
Invited. Communication: “Off-scheduling within dual-earner couples: an unequal and negative externality for family time”
- 17-19 Oct. 2007 International Association for Time Use Research (IATUR), Washington DC, USA
Communications: “The scheduling of work over the week” (with Thibaut de Saint Pol), “Using optimal matching in Stata and Sas to analyze the timing of daily life”, “Individual and couple work schedules: an australia-france comparison” (with James Rice), and “Harmonising leisure time across society

- and family” (with James Rice).
Chair of the session on “Alternative Measures of Time Use”
- 28-29 Sept. 2007 IVth History and Computer science workshop, “l’informatique et l’utilisation des statistiques par les historiens”, ENS LSH, Lyon
Invited talk: “Décrire les rythmes sociaux avec les méthodes d’appariement optimal”
- 10-11 Sept. 2007 Workshop on Sequence Analysis and the Social Sciences, WZB Berlin
Invited talk: “Using optimal matching and Stata to analyze social rhythms”
- 3-6 Sept. 2007 8th congress of the European Sociological Association, “Conflict, Citizenship and Civil Society”, Glasgow, UK
Communication: “Off-scheduling within dual-earner couples: an unequal and negative externality for family time”
- 15 June 2007 Workshop organised by the Observatoire sociologique du changement (Sciences Po et CNRS), “Changing Times, Changing Inequalities: School, Household, and Work Spheres”
Communication: “The scheduling of work over the week”, with Thibaut de Saint Pol
- 14-18 Jan. 2007 University of Oxford, Department of sociology. Invited talk at the departmental seminar: “Asynchronicity within dual-earner couples: an unequal and negative externality for family time”
- 12 Oct. 2006 Seminar on time use surveys (TUS): *Exploiting TUS results for decision, policy-making and research purposes*, co-organised by DG-empl and Eurostat, Brussels
Communication: “Using optimal matching to analyze the timing of daily life”
- 5-8 Sept. 2006 2^d congress of the French Sociological Association, Bordeaux, France: “Les effets de la position sociale sur le volume et la structure du temps familial”
“Les Méthodes d'Appariement Optimal en sociologie”, with Thibaut de Saint Pol
- 16-18 Aug. 2006 International Association for Time Use Research (IATUR), Copenhagen, Denmark: “Using optimal matching to analyze the timing of daily life”
- 9-12 June 2006 International congress of the French Librarians Association, Paris, France: invited speaker, workgroup on opening hours
- 11-14 May 2006 International Sociological Association - Research Committee 28 on Social Stratification and Mobility, Spring meeting Nijmegen, Netherlands: “The indirect effects of social class on the volume and structure of family time” (plenary)
- 25-26 Nov. 2005 European consortium for sociological research (ECSR), Comparative European Studies. Assessing ten years of sociological research: 1995-2005, Paris, France: “Work time and social position in France and the UK”
- 2-4 Nov. 2005 International Association for Time Use Research (IATUR), Halifax, Canada: Chair of one of the two sessions on parental time and time with children
“The effects of the family work day on family time”
- 18-23 Jul. 2005 25th International congress of the International Union for the Scientific Study of Population (IUSSP), Tours, France: “The effects of the family work day on family time”

11 May 2005	EHESS – Séminaire de Serge Paugam, Paris, France: “L'entrecroisement du lien professionnel et du lien familial à partir de la gestion différenciée et inégale des temps sociaux”
26 April 2005	LASMAS – Atelier de Modélisation et de Méthodes Statistiques en Sciences Sociales (M2S3), Paris, France: “Les Méthodes d'Appariement Optimal : de nouveaux outils pour l'analyse de séquences”
9 Dec. 2004	Observatoire Sociologique du Changement, Paris, France: “La ségrégation temporelle : les inégalités temporelles face au travail en France dans les années 1980 et 1990 et leurs conséquences pour la synchronie conjugale”
27-29 Oct. 2004	International Association for Time Use Research (IATUR), Rome, Italy: Chair of the session on parental time “Temporal Segregation. Work time inequalities in France in the 1980's and 1990's”
1-3 July 2004	1 st ESRC Research Methods Festival, Saint Catherine’s College, Oxford, UK: “Work schedules as sequences: using optimal matching analysis to study the way dual-earner couples balance work and family life in France”
24-27 Feb. 2004	1 ^{er} congrès de l’Association Française de Sociologie, Villetaneuse, France: “La signature sociale des horaires de travail : la place du travail dans les emplois du temps en France dans les années 1980 et 1990 et leurs liens avec les classes sociales” “La place de la famille dans les emplois du temps en France dans les années 1980 et 1990”
17-19 Sept. 2003	International Association for Time Use Research (IATUR), Brussels, Belgium: “Synchronicity within Dual-Earner Couples: a Double Bind”
